GORGEOUS GARDENS: AN UNFORGETTABLE EVENING AMONG THE KOI PONDS

Hosted by Ray Armstrong and Barbara Dawson

Whether you love to dig in the dirt or you simply enjoy relaxing amid Nature's beauty, you won't want to miss this incredibly special event. Please join us on Thursday, July 21st from 5 to 8 p.m. at the home of Ray Armstrong and Barbara Dawson. Come and experience gardening as an art form, while enjoying award-winning Koi in an internationally recognized Koi pond. The gardens, some 30 years old, others new this year, are a combination of water plants, vegetable gardens and perennials. All are created with the vision of sustainability.

Tickets are \$50; all proceeds benefit the fabulous community-building programs of Pikes Peak Urban Gardens. Reserve your tickets online at www.ppcf.org or by calling (719) 389-1251.

Vegetable & community gardening information provided by Larry Stebbins of Pikes Peak Urban Gardens. Food provided by TAPateria & Food Designers. Beverages provided by Bristol Brewing Company & The Wine Store.

And for the rest of the evening's attractions... well, a picture is worth a thousand words.
